ID Badges

For the first week of school we will start the transition towards each student wearing an ID badge. Students will use this badge to scan in the lunch room daily.

We also plan to use this for bus transportation in the future. We are excited that we have tools in place to help our campus run more efficiently! More details to follow as we get all of the components in place.

Breakfast in the Cafeteria

The cafeteria will be open for breakfast every day at 6:45 am for our students. Students will enter the cafeteria through the West side doors and exit on the doors on the East. Students may enter the playground areas at 7:00 am. Please have your students here early so they can have school breakfast.
