Lunch IDs

As of now, all of our students have a picture ID that they will use to scan for lunches every day. It is the expectation that students have their ID card with them daily to ensure an efficient line in the cafeteria. Our kindergarten through 2nd grade classes have established systems for the IDs and lanyards to stay in the classroom and be distributed to the students before lunch. Our 3rd through 8th grade students are expected to have their cards with them daily. If a card is lost, there will be a \$2.00 replacement fee. Please help us with this rollout by making sure your student has their ID card with them daily.

Humane Society Blanket Drive

This month our AVID students will be running a blanket drive to support the Humane Society. As the days start to get colder, this is an item that is in demand to help keep the animals in the shelter warm. If you have blankets at home that you no longer use and are taking up space, please consider donating them to this cause. You may drop these off in the front office, or in the Coaches Corner
