**Parent Teacher Conferences**

We are officially in the 3rd quarter and parent teacher conferences are right around the corner. Mark your calendars for January 19 and 20 conferences—both days will be 11:30 am dismissal. On Thursday the 19th, teachers will be available until 7:00 pm and on Friday the 20th, they will be available until 3:00 pm. Your student's teacher will send you information regarding conference scheduling.

**Galileo Recognition**

Before winter break, nearly 500 certificates were given to students who had significant growth on their Galileo test in either ELA, Math or Science. Be sure to ask your student what his/her current level is and what his/her goal is for Galileo #3 in late February.

**Lunch IDs**

As of now, all of our students have a picture ID that they will use to scan for lunches every day. It is the expectation that students have their ID card with them daily to ensure an efficient line in the cafeteria. Our kindergarten through 2nd grade classes have established systems for the IDs and lanyards to stay in the classroom and be distributed to the students before lunch. Our 3rd through 8th grade students are expected to have their cards with them daily. If a card is lost, there will be a \$2.00 replacement fee. Please help us with this rollout by making sure your student has their ID card with them daily.

**Applebees Flapjack Fundraiser Part 2**

We had a very successful Flapjack Fundraiser at Applebee's in the fall and are doing a second one on January 21 from 8:00 to 10:00 am. Presale tickets are going on right now and will cost \$7.00 for all you can eat pancakes. This is great family event and a great way to support our AVID program! We hope to see a lot of you there.
