Daddy Daughter Dance

Our 2nd Annual Daddy Daughter Dance will be taking place this Friday, March 3, at 6:30 pm in the gym. Tickets will be sold for \$5.00 and will include pizza, a drink and dessert. We had an amazing turnout for this event last year and are expecting a great turnout again. We hope to see many of our students making great memories with their dads or other father figures!

Galileo #3

We have just completed Galileo #3 testing and are using this data to make a final push towards AZMerit. One of the important things we ask from our students is to set goals to track their improvement from benchmark to benchmark. The questions we want students to be able to answer are:

- How did you do on this test?
- Did you improve from last time?
- What is your goal for your next assessment?
- What steps will you take to get there?

I would encourage you to ask your students these same questions at home and feel free to contact their teacher for their current progress.

Thank you!

Thank you to all of you who attended the Cheatham Fine Arts festival last week. Having great parent involvement is one of our goals at Cheatham and it was wonderful to see so many of you at school at one time. A special thank you to Ms. Nieder for organizing this event!

AVID Corner

AVID Breakfast

Thursday, March 9 will be our AVID breakfast for all of our AVID students and their parents from 6:45 to 7:25 am in the gym. Current AVID students must RSVP if they plan to attend and may do so with or without a parent. If your 5th grade student was invited to attend, they may do so with his/her parent present to learn more about this exciting opportunity for next year. We hope to have a great turnout!
