- 5/24: Last Day for Students, 11:30 am Release

AZMerit, AIMS Web and Galileo Post Test

The AZMerit testing is officially over for this school year! I am very proud of the diligence our students showed in doing their personal best each day. We have one more assessment left for our students to showcase what they have learned throughout the school year. This data will also be very valuable to us as we consider best placement for the 17-18 school year. Please encourage your student do to his/her personal best on these very important assessments!

IXL

Many parents have inquired about resources to keep their student sharp over the summer time. We have purchased a program called IXL that can be a very good resource for this! Students will be able to work on Math and ELA fluency skills at levels they choose for themselves or with help from a parent. More information will be sent home as we complete our set up for this program.

Muffins With Moms

Student Council will be sponsoring Muffins with Moms again this year to celebrate all of our mothers at Cheatham! On Wednesday, May 10, we would like to invite all of our students to bring their mother or other mother figure to school starting at 6:50 am to enjoy a muffin! We had a great turnout for this last year and expect another great turnout this year. Please plan to arrive early.

**P.** Practice Respect

**A.** Accept Responsibility

**W.** Work Together

**S.** Stay Safe

**AVID Corner**

Recruiting for 2017-2018

We have had many applications for next years 6th, 7th and 8th grade students interested in the AVID elective class for next school year. It is not too late apply if you haven't done so already! Please have your student see Mrs. Mills for an application. If you have any questions about the AVID program at all, feel free to contact Mr. Wait in the front office.
