**Badge System Updates**

As a reminder, students are to have their ID badges with them as part of their uniform every day. The badge is used in the cafeteria and now to board the busses. These areas of our school run very effectively when all students have their badges. If a student loses a badge, a replacement badge and lanyard can be purchased in the office for \$4.00. Please help us with getting 100% of our students with ID badges daily!

**Booster Club**

We had a great turnout for our first Booster club meeting, and I want to invite all parents to come to our next meeting on Tuesday, September 26 in the library. Booster is also hosting our first event this month, which is the ice cream social on September 22nd. There will be activities for the students—please join us for this fun night!

**Curriculum Night**

Please join us on Thursday, September 12 for our annual curriculum night. You will have the opportunity to learn about all of the programs and curriculum your students will use on a day to day basis including the AVID and PBIS programs.

**Volunteers Needed**

On September 14, we will be doing our vision and hearing screening. We are looking for volunteers to assist with this process. If you are looking for volunteer opportunities, please contact Ms. Serrano.
