## Attendance & Tardies

One of our school goals is to decrease the amount of absences and tardies. Please help us with this by ensuring your child is in school every day and on time! Our doors open each morning at 6:45 am for breakfast and the school day begins promptly at 7:30 am. Help us to reach our goal by emphasizing the importance of attendance with your student.

## AVID CORNER

We are pleased to announce that we now have two sections of 6th grade AVID due to a high level of interest! The numbers of students in our AVID classes are at an all time high already and for the first time ever, we had enough demand to open a second section. The goal for upcoming years is to have multiple sections at each grade level. Thank you all for your support in making this happen!
