Yearbook

Pre-order is done for the yearbooks for this year! We will still have some available for purchase in the front office for \$15. Please see Ms. Keemle if you would still like to order yours. There is a limited supply available.

Community Yard Sale

A local community impact group is organizing a "garage sale" event at Cheatham Elementary on Saturday, April 7 from 7:00 to 11:00 am. The group will have gently used items available with all donations going to support our AVID program. There will also be baked goods and lemonade for sale. If you have some spring cleaning to do and would like to donate any items to this cause, we will be ready at 7:00am to add your items to the sale!

AVID CORNER

We are now accepting applications for AVID for the 18/19 School year! If you are a current 5th grade student who is willing to make the commitment to college, you can get your application from your 5th grade teacher. Any 6th or 7th grade students who are not currently in AVID but wanting to make this commitment can get an application from Ms. Hallman.
