Band and Choir Concert

Our band and choir will have their final performance of the year on May 14 at 7:00pm in the Cheatham Gymnasium. They have worked hard this year on improving their music skills- we welcome all of you to come and see them showcase their abilities.

Galileo Post Test

I'm very proud of all of our students for their focus and attention to detail on AZMerit last month! We have one more big test to go- our Galileo Post Test. This test will be compared to the pre-test all students took in August to measure their growth throughout this school year and help us plan appropriately for the 18/19 school year. On the week of May 7, this window begins. Please see the upcoming dates for the daily schedule and grades who will be testing.

Year End Activities

Thank you all for a great school year! There are certainly going to be a lot of celebrations as we look at our testing data and our behavioral goals as students practice their PAWS every day. The last of the 17/18 school year will be Wednesday, May 23 and will be a half day for students. Students in grades K-4 will have their year end incentive on Monday, May 21 and students in grades 5-8 will have theirs on Tuesday, May 22. Thank you for being our partners in education again this year!

AVIDCORNER

Interviews will be scheduled this month for our current 5th, 6th, and 7th grade students. Those who are interested in applying can still get their application from Ms. Hallman.
