

# The Cheatham Times

Andrew Wait Principal  
Tanya Whiteford Ast. Principal

School Starts @ 7:30 AM and ends @2:30pm

## Curriculum Night

Our Curriculum Night will be on August 29 from 5:00 to 6:30 pm. I'd like to invite all of you to attend to learn more about our curriculum, resources and goals for the upcoming school year. You will have an opportunity this night to visit your child's teacher for grade level specific information and questions. This will also be the night that our 6th-8th grade students and parents selected to AVID make their formal commitment for the 18-19 school year.

## Drop Off and Pick Up

As our school continues to grow with enrollment, it becomes more crucial that we have an orderly pick up and dismissal process. When dropping off or picking up, please ensure that students only enter or exit your vehicle at the curb. The inside lane should continue to move and not be used as an additional drop off lane for student safety. Also, please do not leave your car unattended in the drop off lane. Thank you for your cooperation in making our drop off and pick up safe and efficient.

## IMPORTANT DATES

- **8/22:** No School, Full Day Release for Staff PD
- **8/28:** Booster Club Meeting, 3:00pm, Library
- **8/28:** Election Day
- **8/29:** Curriculum Night, 5:00pm, Gym and Classrooms

## Booster Club

I would like to invite all of you to our first Booster Club meeting at 3:00 pm in the Cheatham Library on August 28. Our Booster Club is a great asset to our school community and has provided many upgrades including the outside bleachers, the scoreboard in the gym, the sound system in the gym and our water bottle filling stations on our water fountains. At our first meeting, we will be looking for parents to serve in leadership roles and establish our goals for the year. We are always looking for great volunteers--this is a wonderful opportunity to serve your child's school.

**PRACTICE RESPECT**  
**ACCEPT RESPONSIBILITY**  
**WORK TOGETHER**  
**STAY SAFE**

## AVIDCORNER

We have officially kicked off the year with 5 AVID sections and over 150 AVID students! The program continues to grow and we still have capacity for more 6th and 7th grade students to apply! Our growth is exciting to watch as we see our future college students grow as students and individuals.
