AZ Merit Testing

The time is almost here for our students to showcase what they have learned throughout the year, and do their personal best on the state Assessments. All students in grades 3-8 will be taking the Writing, ELA and Math tests. Students in 4th and 8th grade will be taking the AIMS science test. Please see the dates listed on this newsletter, and also the accompanying letter for more details. Help us do the best we can by having your students present and on time for each of the testing days.

Spring Arts Festival

On Friday, April 5th, we will be having the annual Spring Arts Festival at the Laveen Education Center from 5:00 to 8:00 pm. There will be many booths available for the children to make crafts and our 8th grade choir will be performing. Come out and join us for this fun, family event!

**PRACTICE RESPECT
ACCEPT RESPONSIBILITY
WORK TOGETHER
STAY SAFE**

Book Fair

The book fair is coming to Cheatham on April 1st through the 5th. Students will be able to attend the book fair and purchase books at their lunch times this week, and teachers will schedule slots to take their homerooms throughout the week as well. The book fair will be open until 3:30 each day if you would like to come and check it out!

AVID CORNER

AVID recruitment for next year will be the focus for the upcoming months. Current 5th, 6th, and 7th graders who are interested in the AVID program should ask about filling out an AVID application to be further reviewed by both parents and teachers. Potential AVID students should have the individual determination to take on more responsibility and leadership opportunities for our school. Please contact the office, Ms. Long, or Ms. Hallman for current AVID applications for next school year.
